Turn left onto Dorfstraße, heading toward the village center.

After about 500 meters, turn right at the intersection toward Pillersee.

Follow Pillerseestraße for about 1.5 km and turn right.

Pass the hiking parking lot, then turn right into the forest road. Continue straight along the forest road through the Weissbach Gorge.

After about 2.5 km, make a U-turn at the turnaround and head back. Turn left onto the forest road after a short distance. After about 500 meters, turn right into "Talsenalm" (yellow hiking sign) and park below Talsenalm.
